Ah, no problem
Sorry about that.
WOW
I drank a little too much

I...
drank a little too much
Ah, yes
Well,
It was an emergency, right?
My boyfriend just broke up with me after 5 years of relationship
No,
EH!!
That's tiring, huh
Out with your boyfriend I guess?
It's kind of bother-some, huh?
This room...
Ah,
Sorry
I was just looking around
An easy-to-read person
I don't mind
No,
S-sorry, asking such a personal thing!
It's all my own collection
No, no
Of course not!
Are you some sort of miscellaneous item seller?
WHOA!!
You have a lot of hobbies, huh...?
Ah, not really

This room is used more like a warehouse.
This place is kind of in trouble, too
Hm?
but my brother
But the one who collected all these wasn't me
He's a weird guy
Anything that interests him, he goes out and tries
Huh
So, all the stuff that he can't handle himself, he sends over here.
Cool
So that's why
Yeah, but...
It's kind of nice to have so many boxes shipped to me
?
I'm always wondering, "what's next?"
I see.
.....

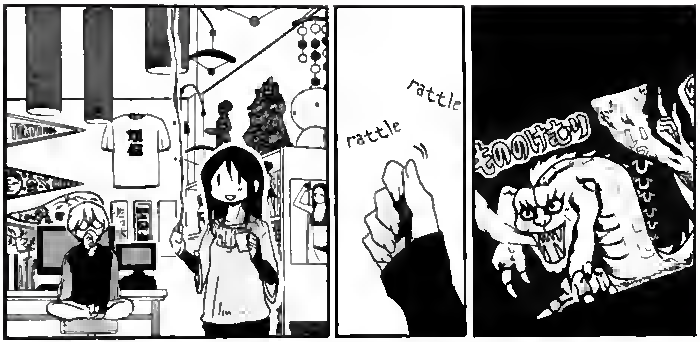
It's not always safe stuff in there!
speaking of...
That's alright.
So which one should we open?
Eh?
Would you like to open one?
Oh,
Hm, that one
the small one
Alright.
Ahaha~
What sort of ero stuff?
There's a lot...
Just in case, there might be "ero" things inside, so
This is a bullseye, huh
Amazing!
...looks expensive!!
OH!!

Eeehh~
Anyhow, I can't drink it alone
EH?
But.
Since you're here, why don't we drink it?
Kanpai~
Kanpai~
ta-ha~
I'd feel bad — doing that...
HAH~
Ah, Then just a little...
You don't feel bad at all, do you...?
No, no. If it's here, it'll be in the way.
Ah... delicious...
EXPENSIVE ALCOHOL IS DELICIOUS!!
DELICIOUS!!

After 5 years together, I thought that we might get married.
I'm already 26 years old.
Yeah.
So...
Yeah
And after that...
Well
I boldly asked him whether he wanted to marry me or not...
He didn't have that sort of desire at all...
So, before I was here,
"I THOUGHT YOU TWO WERE GOING TO GET MARRIED!!"
WHEN I SPOKE WITH MY FRIENDS, THEY ALL SAID THE SAME THING.
THEN
Can't hold it in!!
TREMBLE
TREMBLE
I THOUGHT SO, TOO!!
CLENCH
No, it's fine I don't mind.
Anyway, sorry for going on about my idiocy...
Ah, so then...
It's ok, right?

Hmm..
There's nothing she can do, but she's smiling anyways
.....
.....
...
I'm really sorry...
I'm..
Hey, Ozawa-san,
I don't think it's that bad
Because you're cute
Well, it's like...
People will want to take care of you.
Eh? Eh? Is that so!?
How should I say it.
Hm?
What do you mean?

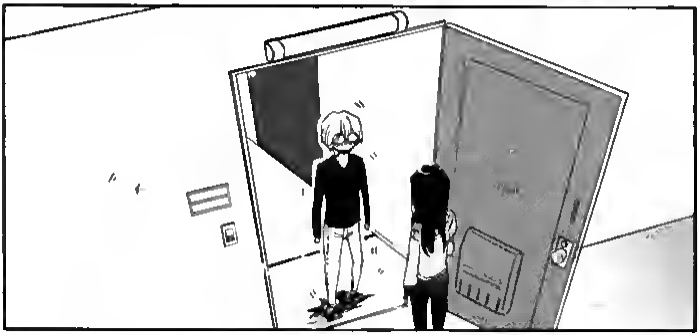
OH!!
It seems that there are all sorts of toys in there
O-oh, well.
There was another box that was full of toys, too.
OH!
Wah~
Oh, really...
That trifling guy is always kind of mysterious.
Oh my...
But it's so nostalgic!
Yeah I guess
Ahaha!! What the hell, this is so boring!!
It's no good Anything she does is so cute ..!!
WOW!
LOOK WHAT I FOUND!



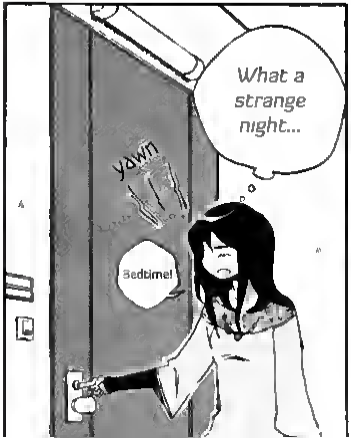
rattle
rattle
Boooring!!
You look really entertained
pathetic

There's still more alcohol left, too.
wah~
No, no
If you don't mind, you can come down again
Well, I'm sorry
I'm really in your debt after all

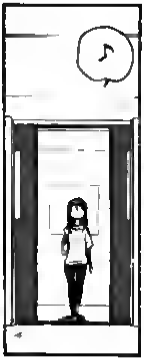
I'll really come back!
Tee Hee Hee
If you say that,



Certainly



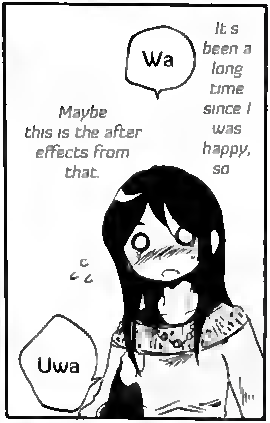
What a strange night...
yawn
Bedtime!



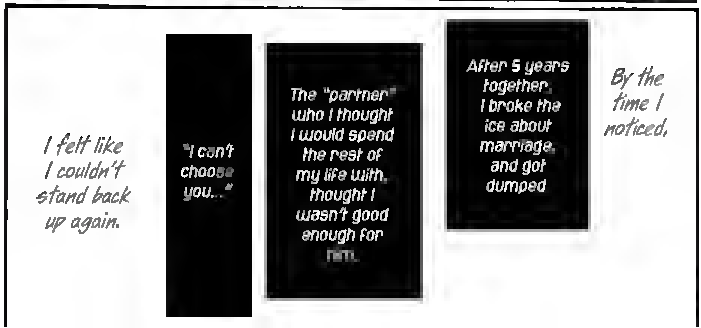
... and took his stuff, huh?
Ah, he came ...
I'm home~
Even though nobody is here
Oh?
...It was this big, huh?
...this room...
Compared to that place, this is big, eh?
Haha~
Aaah

haa-
-aah
Hm?

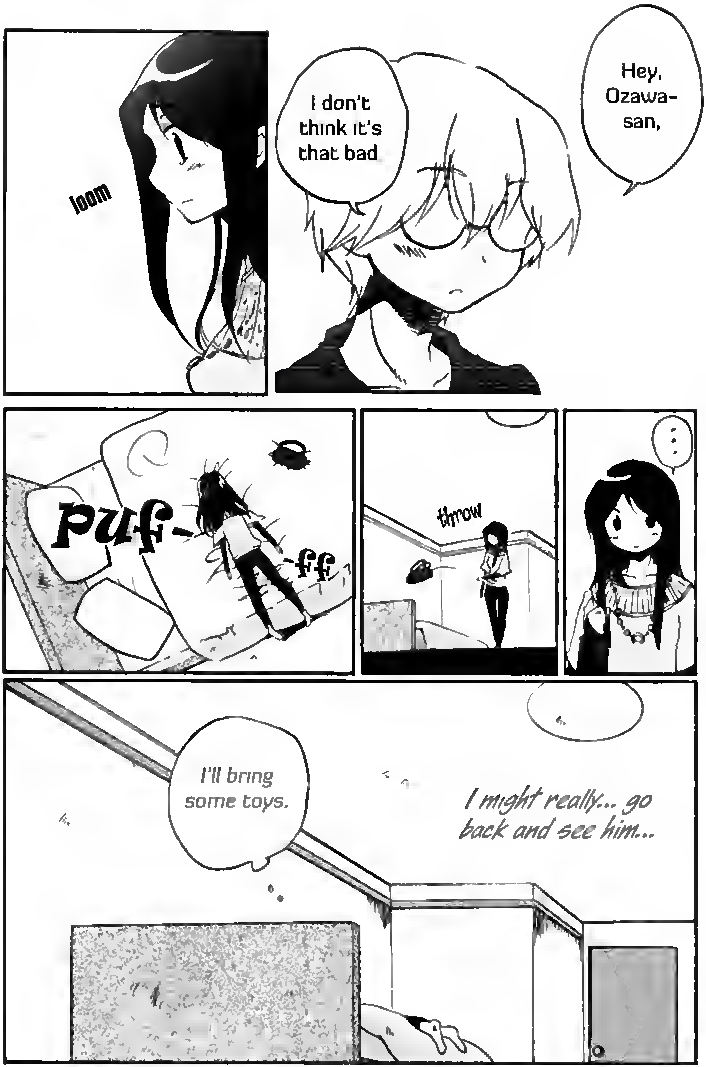
It's over, huh...
All those feelings that I had been suppressing are starting to swell up inside of me...
Even though I hadn't even been thinking about them



Wa
It's been a long time since I was happy, so
Maybe this is the after effects from that.
Uwa



I felt like I couldn't stand back up again.
"I can't choose you..."
The "partner" who I thought I would spend the rest of my life with. thought I wasn't good enough for him.
After 5 years together. I broke the ice about marriage, and got dumped
By the time I noticed,



loom
I don't think it's that bad
Hey, Ozawa-san,

I'll bring some toys.
I might really... go back and see him...

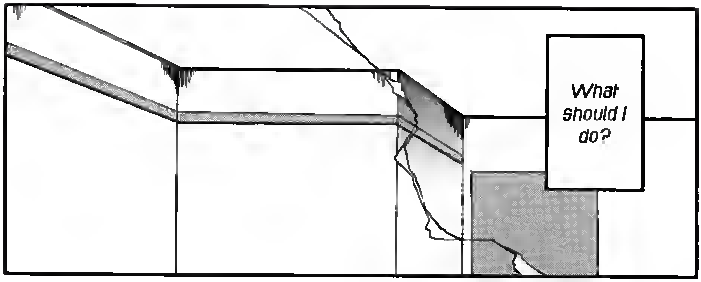
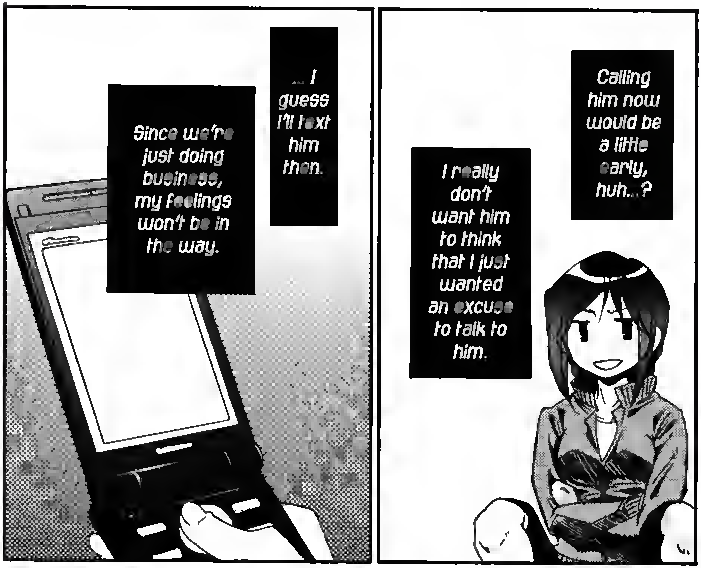
Since my ex-boyfriend moved out after 5 years of living together,
I rearranged my room the way I wanted to.
It's nice, but...
At a certain point,
What I found... All I found were...
Ero-DVDs!!
How did so many get here unnoticed...

Well then...
These...
"The eROS"
Forgotten things...



What should I do?

- Chapter 2 -



Since we're just doing business, my feelings won't be in the way.
... I guess I'll text him then.
I really don't want him to think that I just wanted an excuse to talk to him.
Calling him now would be a little early, huh...?

Oh, fast reply...!

You brought it to my room.
Hm...
No, no, it's ok.
As I thought, it's kind of a bother, huh
obviously
Ah...
I saw that you had a lot of them on your shelf, so
ha ha ha

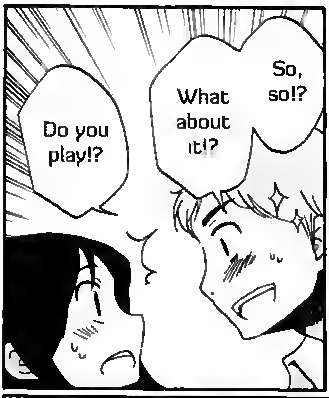
No good, No good
Thank you~
If you have other things that you don't need, it's fine if you bring them here
Sure!
Sorry, I was spacing out
It can't be anything good...
No, no
If Ozawa-san is bringing these things over, what does she think of me~
I'm really sorry~
I have to make it so she doesn't actually consider it...
HUH?!

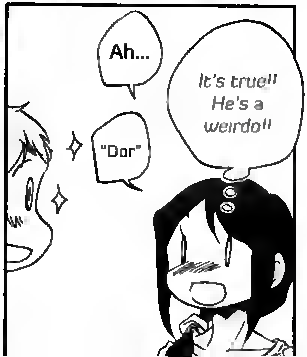
IT'S THE BONNOUJI ...
WOMAN!?
Mmm...
T/N kanji means — Bonnou = Temptation, ji = temple
Good afternoon...
Ooh...
What's up, suddenly coming here

T/N Shimapon is a nickname Oyamada made for him. His true name is Shimamoto. Pon is also a term in Mahjong, so Oyamada might be joking about Shimamoto's Mahjong addiction.

Hmm...
...
...
I was just coming home from work,
and it crossed my mind
Hmm...
Ozawa-san lives on the 5th floor of the apart-ment here.
She found out about my interest in miscel-laneous stuff,
so she came over here to hang out
Cool
What ever
Oyamada has attracted weird people to him since long ago, anyway
Hey!
Oza wa-san
definitely also has some sort of "quality", no doubt
Ahaha Maybe maybe!
AH!!
THAT'S RIGHT!

T/N Uradora = Mahjong term Ozawa pronounce it wrong and Shimapon is correcting her





T/N: mou-pai is when you find out what the piece is just by touch — it doesn't work on mahjong which the letters are printed on, only engraved

When you came, you said,
"Bonnouji" — What's that?
Ahh...
Mm. True. *Pon*.
For things like this, a playful heart is important!
Oh, right!
Shimamoto-san
Hm?
Ahh...
Oh, that's because this guy's family home is a shrine.
What. A Shrine?
WHOA!!
It's when you write "Temptation" and "Temple" together — Bonnouji.
It's what we call this place.

T/N: A term in Mahjong said by a player when he/she forms a koutsu (three-of-a-kind) from a discard

Then Oyamada-kun is going to become a priest?!
Tot...My tits!!
It totally tits!!
When you say, "brother", you mean the one who keeps sending stuff here?
Yes, him.
Ah, is that it.
Mm.
Hm? No, brother is...
Pon
so until then, he said he's going out and live the way he wants to.
When he turns 30, he needs to start studying.
Speaking of Satoshi-san
This guy's older brother still hasn't changed
He said, "Until I'm 30, I'm going to devote myself to an adventure of unlimited temptations."
When he graduated from high school, he left home.
Interesting
and then I started getting all sorts of packages.
So after that, I started making a living by myself.

Saying that in front of Ozawa-san... you...
Haha ha!
It's okay though.
OI!!
You took almost 80% of it, thanks!
Yeah, yeah, Shima-pon
At first, it was only ero stuff, right?
Magnificent stuff!
Nah... before, he only sent good ero-stuff, you know
But now I can't use any of these...
Ah..
Hey!
Oh, this is ok.
...Hey,
HUH!?
But recently it's kind of diminished...
THAT'S ONE THAT MUST HAVE BEEN SENT FROM SATOSHI-SAN, TOO?!
!!
WOW, THERE'S SOME GOOD STUFF HERE, HUH!

Hurry up, You're next, Shima-pon!!
Shi-Shima pon,
Oh, my bad, my bad.
Umm...
Ah...
Ozawa-san!!
...I didn't do that
YOU! WHILE I WAS SEARCHING THROUGH THE ERO-STUFF FOR GOOD ONES, YOU SWITCHED YOUR TILES, RIGHT!!
O!~!!
Hoi!
Ugh..
It's just that while you were talking over there, you weren't paying attention at all
Ah, "Ron".

T/N Ron = Mahjong term- when a player wins from another's discard

Yosh, next game I'm going to play seriously, my deal!!
Wah~
Oh, Ozawa-san you in, right?
It's not a Uradora, but nonetheless, it still hurts my self-styled expert's pride deeply, man.
Self-styled!!
ahaha
Thanks for letting me intrude!
I'll win next time!
Ha ha ha!
Next time I'll ask another person to come and teach you Mahjong
Oh...
Hey, hey

Well, 'till next time
Mm...
When ever is fine
Somehow, she seems good
Ozawa-san
!!

But in the end,
I...
still prefer this kind of things

Well,
So, hey,
He'll bring stuff like this with him, right?
THAT'S MEAN!!

It seems like my brother might become my rival, but I was just praising him...
THAT'S REALLY DISGUSTING...

Ozawa san came to this conclusion...

Wait, no!

So try not to think too poorly of him

Well, that's just another result of his charm...

Cool
He'll probably bring some new presents, too
Sweet~
Alright!
I'll do my best to get off of work early tomorrow!!

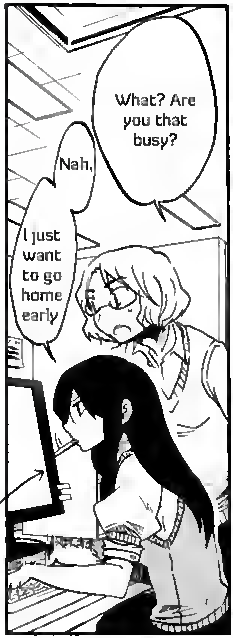
Anyways, he's completely amazing, unlike me



What? Are you that busy?
Nah,

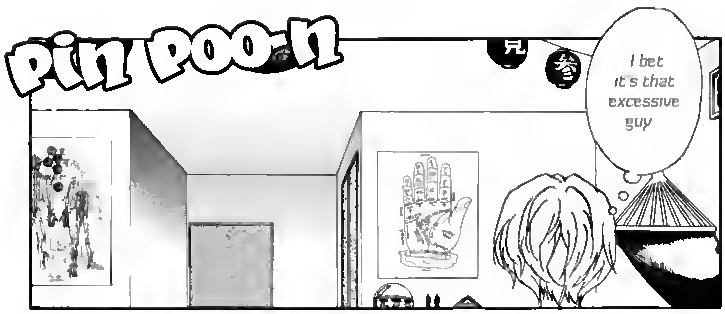
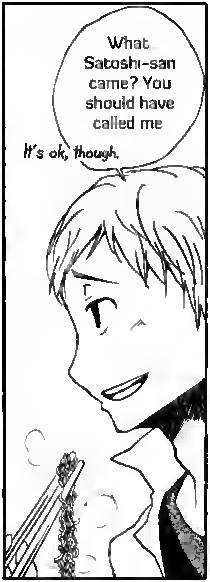
Can I come again tomorrow?
Of course!



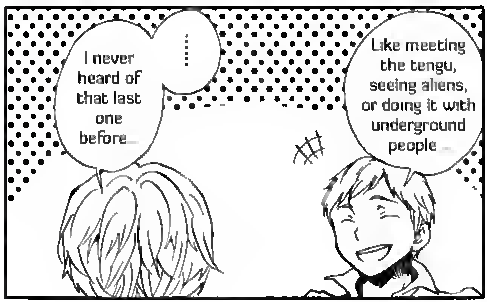
Pin Poo-n
I bet it's that excessive guy

Chapter 8

That guy's stories are super interesting
My bad...
Sorry
Ah,



What Satoshi-san came? You should have called me
It's ok, though.

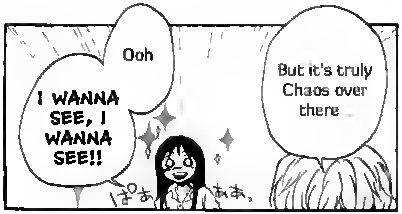


I never heard of that last one before...
Like meeting the tengu, seeing aliens, or doing it with underground people...

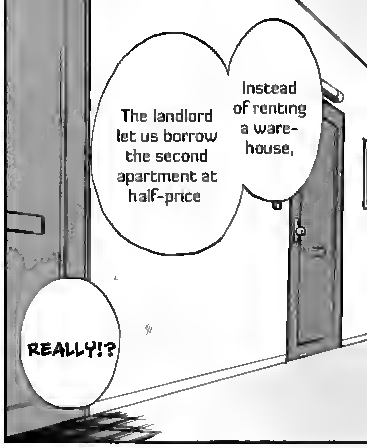
UOH!
ha ha ha
Actually, she came and saw this yesterday
You can't have Ozawa-san over now
And?
Well...
But he really came and put the worst of his findings out on display, huh...
Well, I guess I'll just laze around here until Ozawa-san comes!
I guess
She really is a strange one, huh
That person...
Ho...
She said she was coming back today
Chi-waah
Yeah, yeah...
Make yourself at home.

BUHA!
Yo
Welcome
excited
haah
excited
haah
haah
Huh?
Now if Ozawa-san will just take a seat over there,
We will be arranged in the most convincing manner!
Ehhh
Ahahaha!
WHAT ARE YOU DOING!!
...
...
But aren't you missing one?

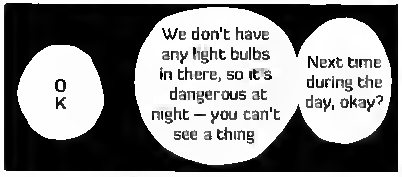
Sorry about that.
Yeah, let me go get a new bottle.
Oyamada-kun, can I have some alcohol?
It was never designed to be moved around like that anyways
Seems like it popped a leak. It just deflated while we were moving it
Oh, we just moved that to the room next door, so we can bring it back anytime.
Aahh
But I would've wanted to save that huge bed that was here...
Next door?
Chaos, huh?
There's creepy stuff and ero stuff and useless stuff all mixed together here...
But it's amazing,
Exactly!



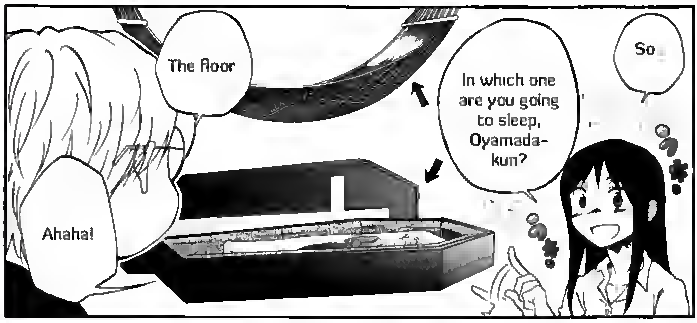
Ooh
I WANNA SEE, I WANNA SEE!!
But it's truly Chaos over there
はぁはぁ



Instead of renting a warehouse,
The landlord let us borrow the second apartment at half-price
REALLY!?



O K
We don't have any light bulbs in there, so it's dangerous at night — you can't see a thing
Next time during the day, okay?



The floor
So
In which one are you going to sleep, Oyamada-kun?
Ahaha!

You're not going to get cursed, are you?
It should be fine, right?

はわー
Hm?
Oh, no.
Hey, hey,
Are these real?
?
Probably
Your Onii-san drew these!?
Eh!?
Wha-
Huh
Me

If I recall, I've seen this in the Louvre or somewhere...
You're allowed to sketch and redraw the works on display in those museums,
So it's probably from there
Whoa...
Even though you're saying it honestly, it sounds like he has some sort of disorder..
From here...
I know, right?
Haha--
Oh yeah, Shimamoto-san, you play slots, too, right?
Yeah, But only a little.
What, are you being modest?
You cannot appreciate...
The beauty of this machine...
There's finally one here,
But there's no way you wouldn't have seen this..
Ah...
ガシャ

This clock is it right?
Yeah...
I guess you don't understand the beauty of this, huh? It's a slot machine where the dials have white 7s and if you get them centered, it gives the jackpot.
The instant you stop the right reel, your senses are overwhelmed no? But the middle reel's revolutions are beautiful as well, when that white 7 is sliding, and that jackpot is almost there...
THIS!?
Comparatively, the one closer to Japanese time is... this one?
Thank you!
Ozawa-san, you can go, too
Whoa!! What is this!!
Oyamada!! These are amazing!!
Hm?
Yes, please!
Oyamada — is it alright if I drink this?

O ya ma da kun~

You'll know the accurate compatibility between two people!
And miraculously
A man and woman, while holding hands, use their free hand to push the button for their gender
Perfect True Love Judgment Machine
It's a love testing machine, I think
Machine (haha!)
It's a machine, you know
It might be some sort of Super Machine, you know?
Huh!
No, no
It probably uses your body temperature to decide, right?
Is what it says

HUH?!
SUPER-DRUNK! SUPER-DRUNK!
FIRST, WE'LL START WITH OYAMA-DA-KUN!
YOSH!
wobble
wobble
YEAH! Without a doubt!
REALLY!?
Ok.
Sure thing~
Hurry, hurry
Bring the manual, too!
It couldn't be
Why not Shimapon, but... me...?
Yeah, seems so...
Next, I push this button, right?

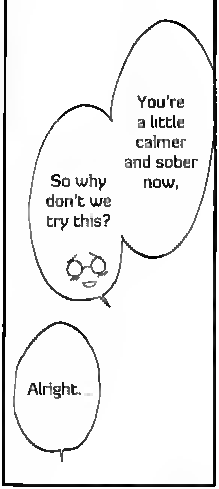
So,

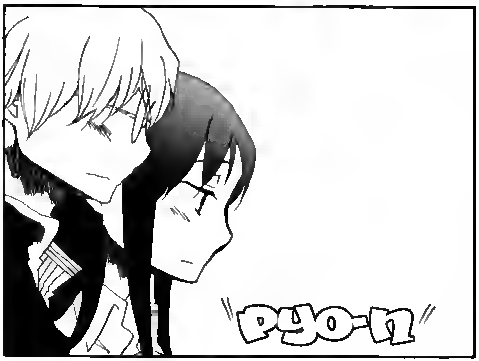
If a girl grabs your hand first,
it means that it's "OK" to do it...
Ah, speaking of which,
Satoshi-san once told me...
HEY! SHIMA-PON!!
THAT'S REALLY TERRIBLE TO SAY IN PUBLIC!!
A-ha-ha!!
Seriously
He's always saying worthless things like that, teasing girls
He's been like that forever,
you know?

Eh?
It...
Don't worry, don't worry
Ohh..
It's ok, it's ok
I understand
I SAID, REALLY!!
REALLY!!
IT'S NOT LIKE THAT AT ALL!!

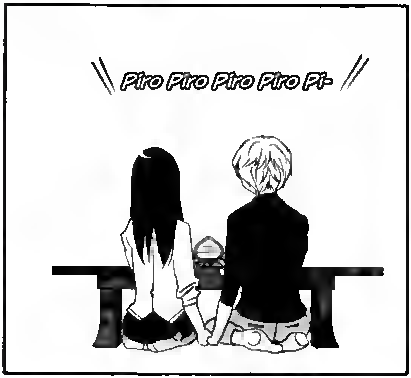
A little sad..



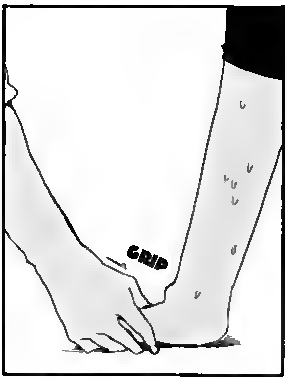
You're a little calmer and sober now,
So why don't we try this?
Alright.



Pyo-n

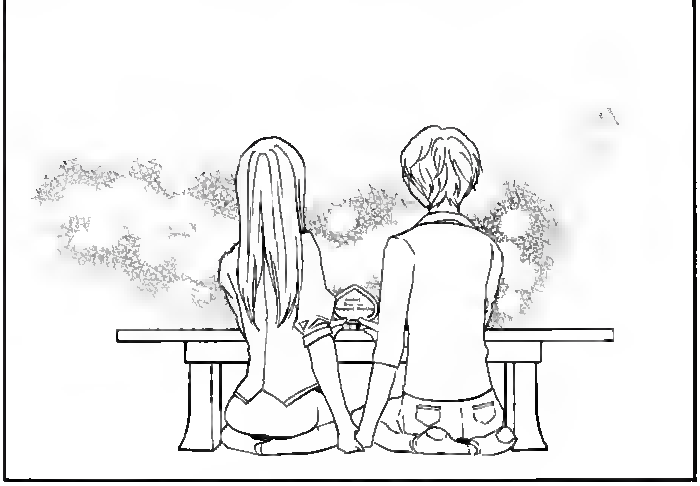


Piro Piro Piro Piro Pi-

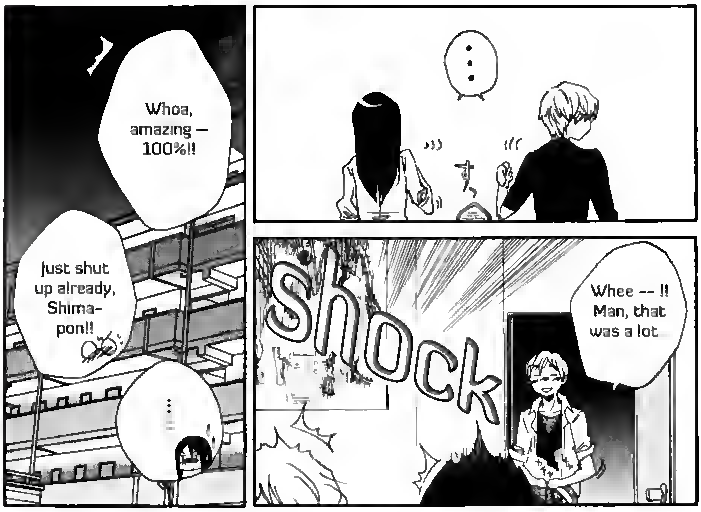


GRIP

...it got me, huh...



Pi—



Whoa, amazing — 100%!!
Just shut up already, Shima-pon!!

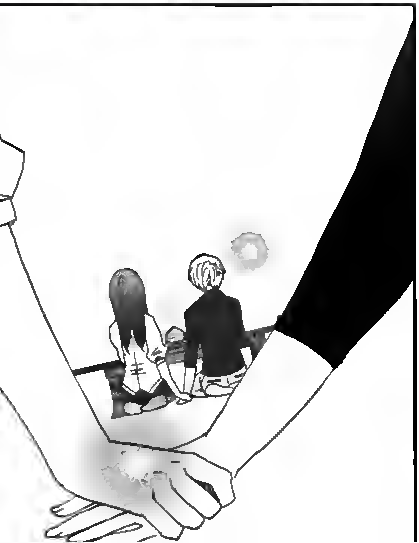
第9話

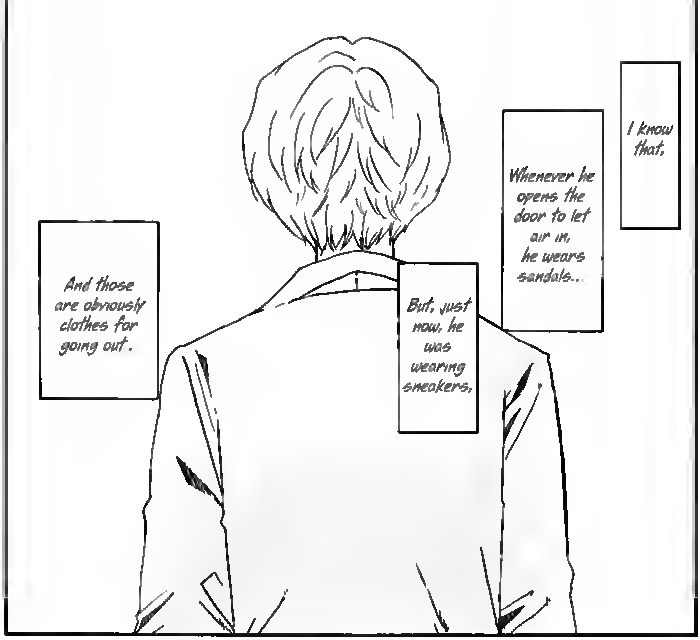


That dance...
I wonder if I still remember it...
The "Oklahoma Mixer" in middle school...
It was maybe due to the alcohol, but...
I held a girl's hand.
I haven't done that since...
What the hell am I. Doing...
Ah I remember...
Chaara rarara rara
Wait
Chaara rarara rara
Chaara rarara rara
Chaara rarara rara
ばっ

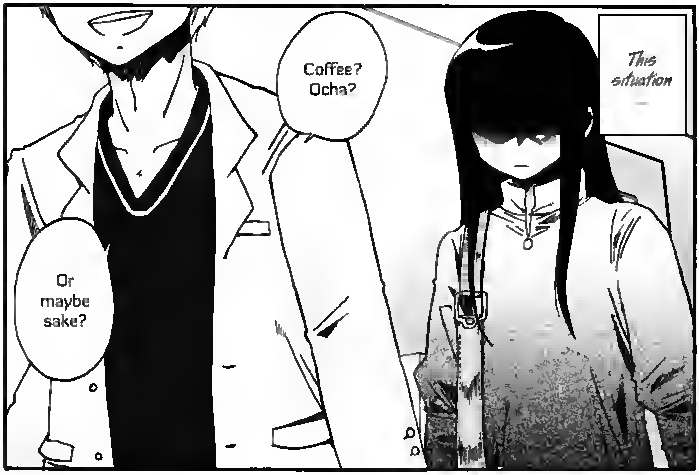
I'll take a walk and stop by the shrine and the store...
I'll go cool my head a bit.
No!
In the fresh air.
Ah...

Oh, Ozawa-san is acting just like usual..
Is something wrong?
Whuahh?
Are you about to leave?
My timing was bad, huh...
Tsk..
I'll just go laze around in my own room then...
Oh well,
I guess I was worrying over nothing...
Wh-
What!?
PUH
WHAT IS IT!!
I thought she felt awkward and shy since she didn't come for a few days
No, I knew that... I knew she felt that way
?

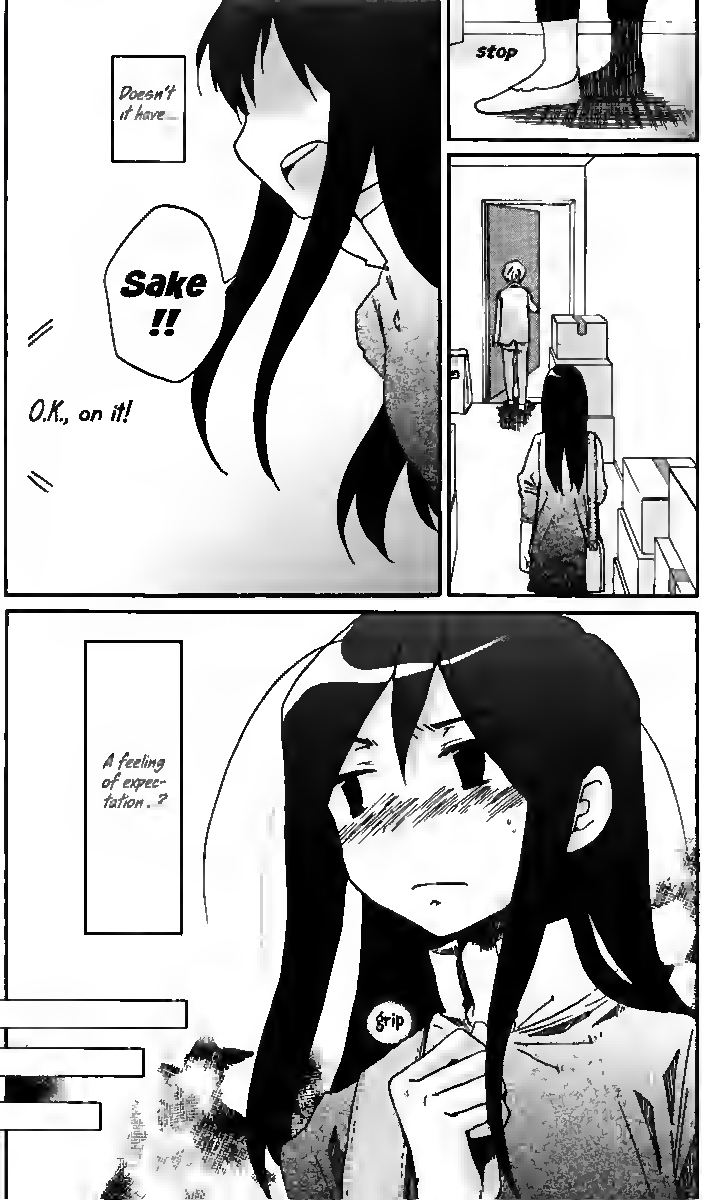
Mmm hmmm...
I'll be – intruding~
Watch out for the boxes, kay?
If you'd like, please come in.
I was just... No, no opening the door to get some ventilation
Oh,
Is it okay?
Yep
Especially when Ozawa-san thought nothing of it...
Is pretty embarrassing on my part.
Getting all self-conscious just from holding hands,
Yeah
More cute!



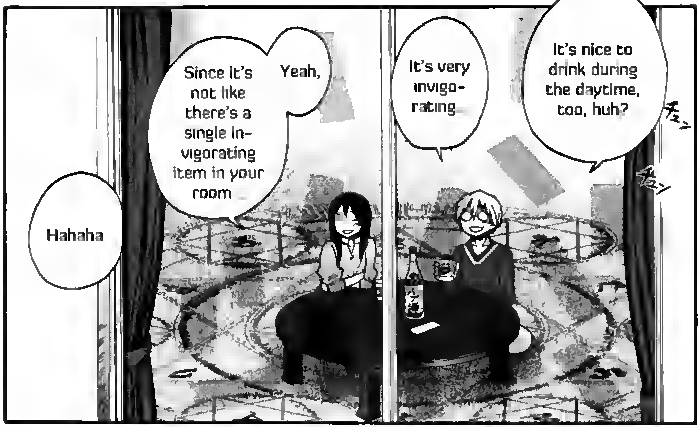
I know that.
Whenever he opens the door to let air in, he wears sandals..
But, just now, he was wearing sneakers,
And those are obviously clothes for going out.



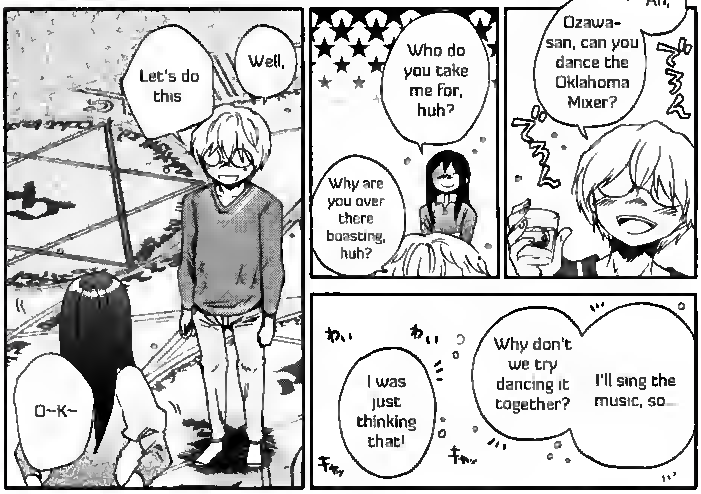
This situation
Coffee? Ocha?
Or maybe sake?



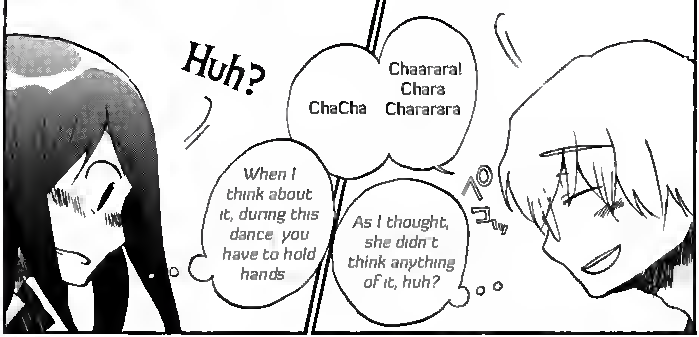
Doesn't it have...
Sake !!
O.K., on it!
stop
A feeling of expectation..?
Grip



Hahaha
Since it's not like there's a single invigorating item in your room...
Yeah,
It's very invigorating...
It's nice to drink during the daytime, too, huh?



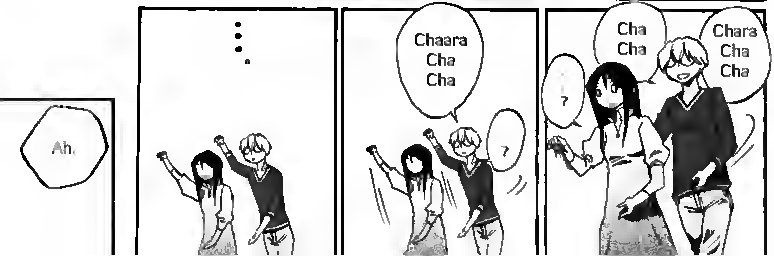
O~K~
Let's do this
Well,
Why are you over there boasting, huh?
Who do you take me for, huh?
Ah, Ozawa-san, can you dance the Oklahoma Mixer?
A little drunken desperation
I was just thinking that!
Why don't we try dancing it together?
I'll sing the music, so...



Huh?
ChaCha
Chaarara!
Chara
Charara
When I think about it, during this dance you have to hold hands
As I thought, she didn't think anything of it, huh?
ペコッ

What should I do!? I'm nervous!!
Uwah, uwah,
Cha
Well, it's ok right?

Cha



Ah.
Chaara
Cha
Cha

Cha
Cha
Chara
Cha
Cha
?

Aah!! Now I remember!!
When I was in elementary school, I was on the tall side...
So I was included with the boys...
Oh, wow...
Recalling a painful memory from her past
AHA HA HA!!
You can learn the girl's part by practicing with Shima-pon next time!
BU HAH!!
I'll look forward to it!

It wasn't like that
You're assuming...

Why don't you hurry up and tell me!
It's been almost two years
Since we broke up

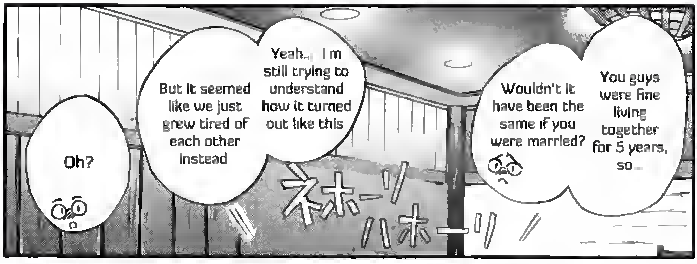
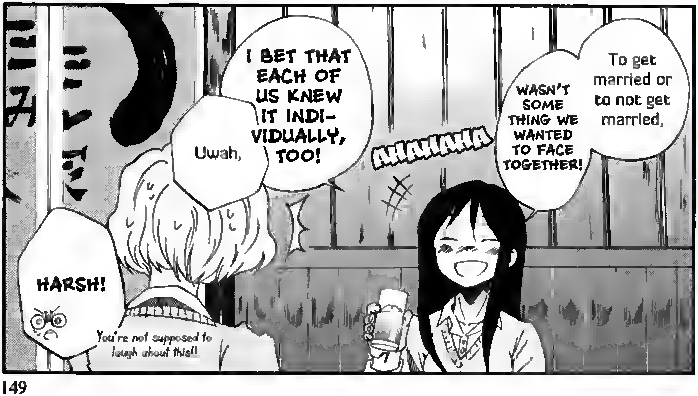
What?
You didn't really want to get married?
When I think about it, it doesn't suit her anyways...
We-ll
scratch
scratch
It's not that I don't want to...
How long were you two living together?
Er— well...
We moved in pretty quickly after we started dating, so...
4 and a half, maybe 5 years?



Oh?
But it seemed like we just grew tired of each other instead
Yeah... I'm still trying to understand how it turned out like this
ネホーリ ハホーリ
Wouldn't it have been the same if you were married?
You guys were fine living together for 5 years, so...

Ah...
But it felt like we'd already seen everything somehow.
ぷぴー
When we were together, things were good,

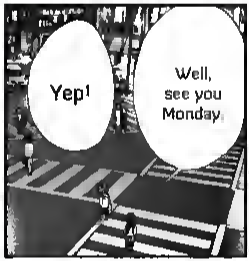


HARSH!
You're not supposed to laugh about this!!
Uwah,
I BET THAT EACH OF US KNEW IT INDI-VIDUALLY, TOO!
AHAHAHA
WASN'T SOME THING WE WANTED TO FACE TOGETHER!
To get married or to not get married,

No, stories about people's misfortunes make the tastiest appetizer!
Hey, this sort of talk will make the drinks taste bad, so why don't we stop?
You...
Well, I guess.
It's fine for him, but it must be tough for you.
Women have to deal with worrying their neighbors and their relatives, too.
YA~Y!
WHAT THE HELL?!
Alright.
When we find the next item, you take it.
Thank you!
BLUE SEETS

If you two get together then she'll be coming over here to play anytime.
Great!
She can always come over here without reservations anyways.
Well,
Yeah.
Do you want to go out with her?
So, what's really going on?
So...
Are you going to confess?
Yeah
Even if we were to break up...
...Go well
Or if things
Sure is...
Geez, that's a pretty bad sign...
OI!!
I died.
Ah,

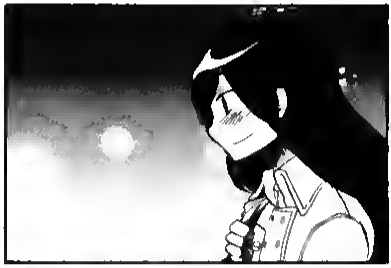
たたみ
Thank you very much!



Yep!
Well, see you Monday.

Let's not celebrate... Ahaha let's not celebrate!
We were celebrating your broken heart!

Nah, no trouble at all!
Sorry, for all the trouble you going through for me

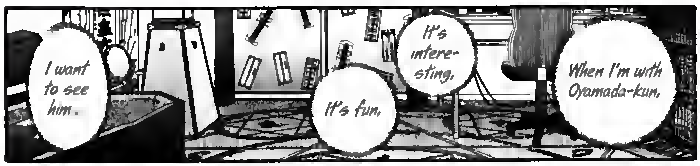


Since I've thought of him
It's been a while, huh...

Somehow, I was bothered by a bunch of things...
Right after I'd broken up,
It was pretty tough..
All sort of things - I really -
Those things have all become part of the past..
It's already too late
..I'm scared!
If I get rejected again...
I probably won't be able to recover from it.
Enough with all that!
These worries are annoying anyways
Welcome!
Why did I think that, huh
Embarrassing

I was just hiding from my own feelings

Eventually, I got tired of it...



But,
It was a little sad...
Oh well, Oyamada-kun doesn't have any of those feelings,
So I can just go over with a carefree heart
Let's go!

Have you decided to confess on?
What second of what minute of what hour of what day of what rotation of the Earth...
...!
So
So...?
It's that big a deal, huh...
It's a big deal.
They say that the beginning is the most important thing!
You have to start thinking about it man
Oh...
I haven't thought about that at all...
Oyamada

You have my condo-lences
Who knows how many hot guys she's going out with
While you're here just messing around at the starting line

Mutual love!?
Oh, damn it!!
Somehow, it suddenly feels like we've gone too far.
.....
The feeling of this arrangement seems kind of ridiculous.

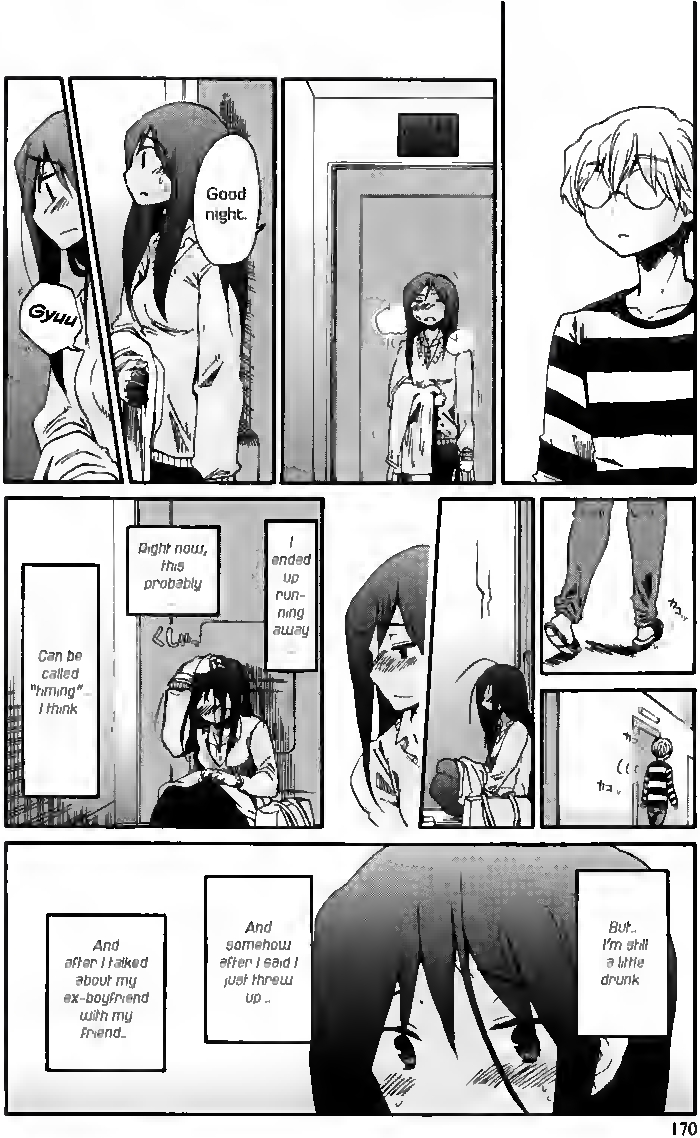
We're here!!
Ah~ it's not even a true feeling,
And my heart is already pounding...

For the present,
I'd think I'd like to...
Be together...

Hm...?
Ozawa-san
This is my place~
It's here~
Thanks for your hard work~
Sure,
Thanks!
Feel free to text me for anything
If you feel sick...
Later~
slam
Thank you very much!
Good night~
Ozawa-san,



Good night.
Gyuu
I ended up running away
Right now, this probably
Can be called "timing"... I think
And after I talked about my ex-boyfriend with my friend..
And somehow after I said I just threw up..
But.. I'm still a little drunk

Ah...
For now, let's just sleep for today..
That's right. it's the only choice!!
And most importantly, it's too soon..
It's too soon!!

I had it last time,
It's been a while!
The feeling ..
Want to see him ..
Ah...
Again, I really.
It's no good...
Ahh... but...
I even evaded Oyamada-kun's confession Probably..
Ahh...
Wh..Why am I so selfish..!!
Aaahhh

Sorry about just now.
BURU ~
Eh?
Ah, aahh... Nothing, just now
I was wondering what you meant by "Sorry"?
Oyamada-kun
Yeah
Are you alright now?
It seemed like you were in the middle of saying something and I...just closed the door on you...
Ahh
Is that it?

You can't talk?
Hm?
That would be a little obvious, huh..
"Were you going to say it?"
What. was it..?
.....
.....
Are you really ok? Ozawa-san today is being a little weird, no?
Ah.
No...
This will just lead to that conversation too, right?
Wait,
I can't think of anything else to say...
No, everything's normal...
Yeah...
Is that so?
But...

I want to see you..
Yeah..
Without thinking...
What did I say ..
...
Yeah...

Then just wait a second, ok?
Ah.
Ok
Wait, he wouldn't really have run away would he?
Has it always been this annoying?
The sound from the phone after it's been cut off

Whaaaat!!
Or to continue what he was about to say..?
Is he coming because he's worried about my health?
I ended up saying that...?
"I want to see you"
Rather than later..?
Sooner rather than later.
Waiting and worrying isn't like me!
Maybe... This will become a chance to "make the other person love you", right?
Hwait.

This sort of calculated, cutesy situation isn't possible.
No...
Hey
Seems like it will be "rather than later"
I took the stairs, so...
I'm a little thirsty
EH!?
YOU'RE FAST!!
